

GROUP PARTY SUGGESTION

(Two hours: 120 minutes)

- 45 MINUTES: Greetings, name tags, sign-up sheet.
Distribution of equipment and introduction to basic archery techniques.
Practice shooting with instructors giving pointers.
There will be shooting competitions and prizes.
If the host would like to provide more prizes, it would be great. More prizes, more fun!
- 30 MINUTES: Break for kids to eat, cut the cake and open gifts.
- 45 MINUTES: Resume shooting as above.

We have enough chairs and tables for you to use but please bring disposable table cover/s.

It is **EXPECTED** that the party starts and ends on time. Pacifica Archery has the option to bill additional fee if the party runs late.

If you have any variation, suggestion, questions, please feel free to call me so we could plan ahead for your successful party.

Thank you,
